Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying consolidated balance sheets of South Buffalo Charter School and Affiliate (the Organization) as of June 30, 2025 and 2024, and the related consolidated statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the consolidated financial statements (the financial statements).

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Organization as of June 30, 2025 and 2024, and changes in its net assets and cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America (GAAP).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Organization, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern for one year after the date that the financial statements are issued.

Auditors' Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Additional Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying additional information as listed in the table of contents, including the schedule of expenditures of federal awards, as required by Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated October 14, 2025 on our consideration of the Organization's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, grant agreements, and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control over financial reporting and compliance.

Notes to Consolidated Financial Statements

1. Summary of Significant Accounting Policies:

Organization and Purpose:

The consolidated financial statements of South Buffalo Charter School and Affiliate (the Organization) include the accounts of South Buffalo Charter School (the School) and 154 South Ogden, LLC (the LLC).

The School operates a charter school in the City of Buffalo, New York (the City) pursuant to its Charter Agreement with the New York State Education Department. The School currently offers classes from kindergarten through grade 8. The School has been chartered through June 2030, after which time the charter may be renewed, upon application.

The School seeks to provide equitable opportunities for all students to acquire an education that links character education with rigorous academics, technology, and careers to produce students who are prepared for success in the 21st century. Students enrolled reside primarily in the City School District.

The School is the single member of the LLC, a limited liability company formed in 2012 to acquire land and construct a state of the art educational facility. All significant intercompany transactions and balances have been eliminated.

Subsequent Events:

Management has evaluated events and transactions for potential recognition or disclosure through October 14, 2025, the date the financial statements were available to be issued.

Cash:

Cash in financial institutions potentially subjects the Organization to concentrations of credit risk, since it may exceed insured limits at various times throughout the year. The School complies with a requirement to hold no less than \$75,000 in an escrow account to pay legal and audit expenses that would be associated with dissolution should it occur.

Property and Equipment:

Property and equipment is stated at cost net of accumulated depreciation. Depreciation is provided using the straight-line method over estimated useful asset lives. Maintenance and repairs are charged to operations as incurred; significant improvements are capitalized.

Investments:

Investments are comprised of marketable securities stated at fair value as determined by quoted prices in active markets.

Revenue Recognition:

Enrollment Fees

Enrollment fees are received from the public school district where a student resides. The amount received each year from the resident district is generally the product of the approved operating expense per pupil and the full time equivalent enrollment of the students in the School residing in that district. The respective districts also reimburse the School for special education services based on approved applicable rates for the services provided. Revenues are recognized over the period the services are provided. The School generally invoices the resident district bimonthly and payment is due in 30 days. Enrollment fees received in advance are deferred and recognized when earned. The School's enrollment fees are received primarily from the City School District.

Contributions

Unconditional contributions are reported at fair value at the date the pledge or award is received. Unconditional contributions are recorded as restricted support if they are received with donor stipulations that limit their use. When a donor restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the consolidated statement of activities as net assets released from restrictions. Unconditional contributions received with donor-imposed restrictions that are met in the same reporting period are shown as support without donor restrictions.

Conditional contributions, primarily government awards, are recorded as revenue when the Organization meets requirements in compliance with specific agreements. When applicable, amounts received before the required conditions are met are reported as refundable advances on the accompanying balance sheets. These conditional contributions are subject to compliance and financial audits by the funding sources. Management believes no significant adjustments are necessary to recognized amounts.

In-kind contributions represent donated commodities for the cafeteria program which would typically be purchased if not provided by donation. These amounts are recognized as revenue at estimated fair value when the commodities are received.

Receivables

Receivables are stated at the amounts management expects to collect from outstanding balances. Management provides for estimated credit losses through a charge to expense and a credit to allowance for estimated credit losses based upon a review of outstanding receivables, historical trends, and forecasted economic conditions. Balances that are outstanding after management has used reasonable collection efforts are written off through a charge to the allowance and a credit to accounts receivable. An allowance for estimated credit losses is considered unnecessary by management at June 30, 2024.

Income Taxes:

The School is a 501(c)(3) organization exempt from taxation under §501(a) of the Internal Revenue Code. The LLC has elected to be taxed as a corporation effective July 1, 2014. The LLC did not recognize or pay income taxes in 2025 or 2024.

Transportation:

The City School District provides the School with certain transportation services without cost. The value of these services has not been recorded in these financial statements.

Use of Estimates:

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Functional Expense Allocation:

The Organization's costs of providing its various programs and activities have been summarized on a functional basis in the statements of functional expenses. Accordingly, certain costs have been allocated among the programs and supporting services benefited. These costs include salaries, employee benefits and taxes, and retirement, which are allocated based on estimates of time and effort. Most of the remaining expenses are allocated based on management's estimate of program benefit.

2. Receivables:

	2025	2024
Contributions	\$ 970,250	\$ 2,539,845
Enrollment fees	865,923	122,727
Other	35,957	35,957
	<u>\$ 1,872,130</u>	<u>\$ 2,698,529</u>

3. Property and Equipment:

	2025	2024
Land	\$ 538,624	\$ 538,624
Building and improvements	18,300,532	18,178,018
Furniture and equipment	6,694,476	6,676,548
Construction in progress	-	93,032
	<u>25,533,632</u>	<u>25,486,222</u>
Less accumulated depreciation	10,471,993	9,924,086
	<u>\$ 15,061,639</u>	<u>\$ 15,562,136</u>

4. Investments:

	2025	2024
Interest bearing cash	\$ 661,744	\$ 228,811
Equities	1,052,356	867,072
Fixed income	8,625,006	8,652,185
	<u>\$ 10,339,106</u>	<u>\$ 9,748,068</u>

Investment activity consists of the following for the years ended June 30:

	2025	2024
Interest	\$ 416,188	\$ 326,028
Unrealized gains	174,850	170,929
	<u>\$ 591,038</u>	<u>\$ 496,957</u>

5. Line of Credit:

The School has available a \$500,000 bank demand line of credit, with interest payable at 70% of prime plus 0.5%, secured by essentially all of the School's assets, and guaranteed by the LLC. There were no outstanding amounts under this line at June 30, 2025 and 2024.

6. Long-Term Debt:

	2025	2024
Bank mortgage note payable, monthly installments of \$85,600 including interest at 5.38% with balloon payment of \$4,154,924 due June 2030, secured by essentially all assets of the LLC.	\$ 7,599,520	\$ 8,153,989
Less unamortized debt issuance costs	33,016	15,344
	<u>7,566,504</u>	<u>8,138,645</u>
Less current portion	<u>627,118</u>	<u>8,138,645</u>
	<u>\$ 6,939,386</u>	<u>\$ -</u>

In June 2025, the LLC amended the mortgage note payable. Prior to the amendment, the mortgage note payable included monthly installments of \$87,112 including interest at 4.50% with a balloon payment of \$7,885,800 due January 2025.

Debt issuance costs are amortized as interest expense over the remaining term of the mortgage note. Amortization expense of debt issuance costs for the years ended June 30, 2025 and 2024 were \$15,344 and \$26,303.

Aggregate maturities of net long-term debt subsequent to June 30, 2025 are:

2026	\$ 627,118
2027	662,039
2028	698,884
2029	737,760
2030	<u>4,840,703</u>
	<u>\$ 7,566,504</u>

The bank mortgage note agreement contains a restrictive covenant relating to debt service coverage.

7. Retirement Plans:

The School maintains a 403(b) profit sharing plan covering essentially all full-time employees (as defined). The plan requires certain employer match contributions based on salaries and employee deferrals. Expenses related to this plan for the years ended June 30, 2025 and 2024 were \$47,777 and \$37,382.

The School participates in the New York State Teachers' Retirement System (TRS), which is a cost-sharing multiple employer public employee retirement system. TRS offers a wide range of plans and benefits for the School's collectively bargained teacher group which are related to years of service and final average salary, vesting of retirement benefits, death and disability.

TRS is administered by the New York State Teachers' Retirement Board and provides benefits to plan members and beneficiaries as authorized by the Education Law and the Retirement and Social Security Law of the State of New York. TRS issues a publicly available financial report that contains financial statements and required supplementary information. The report may be obtained from TRS at www.nystrs.org.

No employee contributions are required for those whose service began prior to July 1976. TRS requires employee contributions of 3% of salary for the first 10 years of service for those employees who joined from July 1976 through December 2009. Participants whose service began on or after January 1, 2010 through March 31, 2012 are required to contribute 3.5% of compensation throughout their active membership in TRS. Participants whose service began on or after April 1, 2012 are required to contribute a percentage ranging from 3% to 6% each year, based on their level of compensation.

Pursuant to Article 11 of Education Law, rates are established annually by the New York State Teachers' Retirement Board at an actuarially determined rate. The rate is 10.11% of the annual covered payroll for the year ended June 30, 2025 and 9.76% for the year ended June 30, 2024. The required contributions for the years ended June 30, 2025 and 2024 were \$603,574 and \$578,324.

8. Health Insurance:

The School participates in the NY44 Health Benefits Plan Trust (the Plan). The Plan has been established to administer a health insurance program to lower the costs of such coverage to participating school and school district members.

Plan members pay monthly premium equivalents based upon a pro-rata share of expenditures. All funds received are pooled and administered as a common fund. Plan members could be subjected, however, to pro-rata supplemental assessments in the event that the Plan’s assets are not adequate to meet claims. To date, these supplemental assessments have not been required.

The Plan’s financial report for the year ended June 30, 2025 and 2024 can be obtained from Erie 1 BOCES, 355 Harlem Road, West Seneca, New York 14224.

9. Financial Assets Available for Operations:

The Organization obtains financial assets generally through enrollment fees and contributions. The financial assets are acquired throughout the year to help meet the Organization’s cash needs for general expenditures. If necessary, the Organization also has access to a \$500,000 bank demand line of credit (Note 5).

The Organization’s financial assets available within one year of the balance sheet date to meet cash needs for general expenditures consist of the following at June 30:

	2025	2024
Cash	\$ 13,952,977	\$ 11,839,972
Receivables	1,872,130	2,698,529
Investments	10,339,106	9,748,068
	\$ 26,164,213	\$ 24,286,569

Notes to Schedule of Expenditures of Federal Awards

1. Summary of Significant Accounting Policies:

Basis of Presentation

The accompanying schedule of expenditures of federal awards (SEFA) presents the activity of all federal award programs administered by South Buffalo Charter School and Affiliate (the Organization), an entity as defined in Note 1 to the Organization's financial statements. Federal awards received directly from federal agencies, as well as federal awards passed through from other governmental agencies, are included on the SEFA.

Basis of Accounting

The amounts reported as federal expenditures generally were obtained from the appropriate federal financial reports for the applicable programs and periods. The amounts reported in these federal financial reports are prepared from records maintained for each program, which are periodically reconciled with the Organization's financial reporting system. The federal expenditures are recorded on the accrual basis.

Indirect Costs

The Organization does not use the 10% de minimis indirect cost rate permitted by the Uniform Guidance.

Non-Monetary Federal Program

The Organization is the recipient of a federal award program that does not result in cash receipts or disbursements, termed a "non-monetary program." During the year ended June 30, 2025, the School used \$39,521 worth of commodities under the National School Lunch Program (Assistance Listing Number 10.555).

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

The Board of Trustees
South Buffalo Charter School and Affiliate

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of South Buffalo Charter School and Affiliate (the Organization), which comprise the consolidated balance sheet as of June 30, 2025, and the related consolidated statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the consolidated financial statements, and have issued our report thereon dated October 14, 2025.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Organization's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that have not been identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Organization's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM AND ON
INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE**

The Board of Trustees
South Buffalo Charter School and Affiliate

Report on Compliance for Each Major Federal Program

Opinion on Each Major Federal Program

We have audited South Buffalo Charter School and Affiliate's (the Organization) compliance with the types of compliance requirements identified as subject to audit in the *OMB Compliance Supplement* that could have a direct and material effect on each of the Organization's major federal programs for the year ended June 30, 2025. The Organization's major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

In our opinion, the Organization complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2025.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America (GAAS); the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States (*Government Auditing Standards*); and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditors' Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the Organization and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of the Organization's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules and provisions of contracts or grant agreements applicable to the Organization's federal programs.

Auditors' Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the Organization's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material, if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the Organization's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the Organization's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of the Organization's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control Over Compliance

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditors' Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
